

Grounds Day

Sunday 23rd June 2019
from 10am – 3pm.

We last did a grounds day in 2015 where we successfully did a lot of work improving the look the of the school grounds. This time we have a group of volunteers from Lloyds Banking Group (Halifax) coming to help paint our sheds and relay our path in the quiet area as well as any other jobs we can find them to do in the time they are with us!

We would very much hope that you will want to support us and **join in volunteering on Sunday 23rd June.**

Please come and help us update and improve our outdoor area. We need your help to create an exciting environment for our children to work and play in.

If you bring enthusiasm (and tools?) we will provide the light refreshments!

Family and friends are welcome but we are **very sorry no children** can be on site while we are working as we cannot guarantee their safety.

Please complete and return the reply slip below by Wednesday 19th June.
Please also let us know if you have any gardening experience, contacts or shed paint etc.
